

Legend 1970 With sincere gratitude and deep admiration, we, the members of the Class of June 1970, are proud to dedicate this volume of *The Legend* to our friend and adviser, Mrs. Ileathern McLeod.

Our dear respected teacher and friend, Mr. David Stamelman, was lost to us this year duing the summer recess. Mr. Stamelman, a former English teacher, had instructed Weequahic students for many years. We mourn him and regret our loss.

Administration and Faculty

I have found the seniors of this graduating class to be alive to the world's problems, sensitive to the needs of others and optimistic about themselves and their future in our society. These are attitudes which lead to both individual success and a stronger America. I hope each of you will continue to learn and to act in ways which will benefit you and all of us. My best wishes go to all of you.
